

I was born in the town of Miffield in Yorkshire in the year 1735, on the 22<sup>d</sup> of Sep. My parents belonging to the Church of England in my young years, began to be conversant about my salvation as was afraid of doing or saying any thing which would displeas God for fear I might not be saved one night when I was about 6 years old I dreamt our Sav came into the room where I was, as soon as I saw him I got up & ran to him & pray'd him to bless me which he did & thought he show'd me a well in the side of the room in the which he said I should be dipped & then I should be his it had such an impression on me that I never forgot it, when the Brethren came to preach at Foxwood I went with my Mother & got a love for them In some time after Bro Fleet came to have the care of the Children so he told us as many as had a mind to be our Saviours should write a few lines to him which I did also his Meetings was peculiarly blessed to my heart & when he told us of our Sav's becoming Man and that he he was on Crucified & had received so many wounds for us to purchase our salvation I was very much Laid hold on & wept many times, as I grew older I felt my <sup>way to be put in</sup> more & more which made me very heavy and Glomy I thought surely there is not one that is so spoiled & so full of evil as I am, but thro Conversions which felt I never went in no gross sins yet I felt a love for sin & began a self working & a striving to become better, the more I strove against it the worse I grew I often took lonely walks to the Lord, every thing answered to myself as also pour out my sighs to the Lord, every thing answered I increased my sorrow they looked so happy, & every thing I looked at the end for what they was formed for, I frequented the Meetings myself feeling myself thought but sin, I frequented the Meetings very constant, I felt as if I was going to be judged for every word As the Bro spoke I tried my own heart by it to feel if I could get any hopes that our Sav would have Mercy on such a peck as I am, when the Sisters came to visit me, I desired to I knew Broock being Sisters that had a peculiar confidence to I felt a great freedom to tell them my whole heart as well as ever I could in hopes that they could help whether I should come there or no they always comforted me & told me it was a grace that our Sav that let me feel what I was by nature & also that it was just such that our Sav came to save, but being of a Reasoning turn it seemed to be made so very easy & except I felt our Sav's nearness so clear as I shall most say him I dare not believe & so long as I have not this Grace I will not have no other comfort that is to be assured of the forgiveness of all my sins, so I went on some time struggling

Struggling with my Sins as a silly Child for if I had a more simple Heart  
I know I might have found Rest sooner, but my dear Sav, whose care  
I have been shure of from a little Child did not for all my unbelief  
& hardness of Heart did not leave his poor Child but followed me with  
Unwearied patience till he could bear me fullfull, so I went on till  
my 17 year when I began to be tired of all my own attempts, to see  
clearly I could do nothing of myself, so I thought if I perish it shall  
be at My Savs feet, but one day when I was praying by myself I broke  
out in these words I am a sinner this I know all in me deserving wo  
but since thou hast dyed for me my Lamb I pray thee take me as I  
am, I had no sooner giving myself into the hands of my Sav, to live  
but my dearest Bridgroom manifested himself so clear before my  
Heart & eyes with all his wounds that I was quite overcome with his  
Beauty I felt that he had forgave me all my Sins & the Lords I had  
Carried was quite gone & how I felt I shall never forget my Heart  
was so Captivated with my Bloody Friend that he was become my  
Chief Object I cannot express the 3 part what peace & life my poor  
heart enjoyed for I can say with truth when in his Blood I saw him  
Swim a small drop I did get which glided me to him, him to me the  
first time that we meet I began to think I could like very much  
to be in the congregation tho, I felt myself very unworthy of that grace  
but I spoke with our Sav, about it often, but leaving it at the same time  
to his will for I was affraid of myself not answering the end, I never  
told my Consarn to my Labours for I thought if our Saviour thinks  
good I shall be Recd he will put it into the Bre, & Sis, hearts when it  
is the wright time, when I came to fullneck my Labour told me might  
wright to the Congrea, which was very welcome to me so I did & brought it to  
my labour, ~~and~~ in the year 1752 on the 13 of Nov. I had the Grace to be  
Recd into the Dear Cong, of which I felt myself very unworthy of but  
I gave myself up to our dear Sav & wished to be a joy to him & to his peopl  
soon after I had the unexpected news that I had leave to come in the Choir  
House which Surprised me I always had a peculiar mind to be in the Choir  
House or Economy but I thought it to grate a Grace for poor me, as soon as  
my parents could get my things ready I came which was on the 30 of Feb.  
1753 when I got my long wished for Desire granted to live in the Choir  
House were I lived as a grate girl till the Month of Aug<sup>th</sup> the Singell  
Sisters feast being put off till then on account of our dear Annapol  
at Jonas Corning & on the 15 of Aug<sup>th</sup> I was Recd into the Siskes Choir I felt  
a little pain at parting with my Choir for I had enjoyed many blessings

Receiving from our Saviour in it. but as it was his will I devoted myself to  
my dearest Bridegroom anew & wished to become a true virgin Both in  
Soul & Body to be intirely to his Heart in all things; in the year 1752  
on Sep, 9<sup>th</sup> I had the grace to enjoy for the first time the holy Sacrament  
for which I was quite bowed down feeling myself so unworthy of such Grace which  
I enjoyed at that time when I was prevailed with his dear Corps & Blood thro  
thru, in the year 1754 our dear papa & Mamma made us a visit and we  
had for the first time here a Choir Sacrament of foot washing the impression of  
which I shall never forget it was as if our Sav, & me was quite alone for some  
time; in a while after our dear Sav let me see more of myself that I had  
a grate deal in me that wanted to be deadened & Sanctified thro, our Saviours  
Grace My Disposition being of such a sort that when I see any thing I thought  
not right, was so hasty in speaking which brought me often into Unkindness  
but our best Friend allways brought me soon to the Sinner point & let me  
feell what a poor Child I was and would not let me be satisfied if I had severd  
from him in any thing till I felt his Forgiveness; in May 1761 I was made  
Use of Amongst the Girls for which I felt myself very unfett but it proved  
a Blessed Sould for my own Heart I got to see many things in myself that  
I was Egrant of and made me cleave closer to our dearest Sav, for his daily  
instruction & Sweet Meanness to bring me thro in all things according to his  
Heart, and I can never be thankfull enofe for all the Grace & Blessings  
which I poor Child have enjoyed in my Choir & the Congregation and  
for which I will kiss his dear feet when I come to him, and I feel  
myself quite Chearfull & Satisfied there being <sup>in my Soul</sup> ~~nothing~~ <sup>of my self</sup> ~~nothing~~ <sup>between my</sup>  
dearest Bridegroom and me I am now in the Sick Room waiting for  
the last kiss ~~when he returns home~~ I long to see him take me to himself  
before him: but his blessing visitations I cannot but bless you  
Sould
